Edan,

The 4 Points by Sheraton is between Balboa and Aero Dr., not Balboa and Clairemont Mesa. The 4 Points is South of SDG&E , not North. The address is:

**Four Points By Sheraton San Diego**

8110 Aero Drive, San Diego, CA 92123

**Subject:** The Rule 21 Working Group Report.

Hello all good Rule 21 people:

Enclosed for your final review is draft 3 of the report that the Working Group was asked to prepare as part of CPUC Decision CPUC Decision 05-08-013 on DG interconnection and related issues. Please provide written comments if you like. You're also welcome to prepare your own report or commentary, which we will append to the report.

Draft 1 was previously sent to you for review; three sets of comments were received. The report was amended and draft 2 was sent to those who had commented. Their comments on draft two were taken into consideration in preparation of draft 3. Please review this draft (much shorter, and, we hope, sweeter than the draft 1). At the Working Group meeting in San Diego on March 21 we plan to discuss and finalize this report. I'm fairly confident we can achieve consensus, and maybe even pass Werner's legendary scrutiny.

**REMEMBER THAT THE SAN DIEGO MEETING IS A TWO DAY MEETING!**

On Mar 21 we meet at the usual SDG&E head office conference rooms, 8306 Century Park Court  
(Off Kearny Villa Rd. between Balboa Av. and Clairemont Mesa Blvd.)

On Mar 22 we meet at the Sheraton Four Points Hotel, 8306 Century Park Court  
(Off Kearny Villa Rd. between Balboa Av. and Clairemont Mesa Blvd). SDG&E is simply out of room on that day.

You may consider staying at the Sheraton. I am. Unfortunately, we couldn't get a group discount rate (our group is just too small!). I do not own any Sheraton stock, and I'm not endorsing Sheraton. Just a suggestion.

See you in San Diego. I'll be the one wearing the hard hat.

Regards,

Edan Prabhu
